Mid-Coast Solid Waste Corporation serving the towns of Camden, Hope, Lincolnville and Rockport gives notice of a bag fee increases effective in June 1, 2023. In order to keep up with rising disposal, transportation and labor costs, the Mid-Coast Solid Waste Board of Directors and the Municipal Officers of Camden, Hope, Lincolnville and Rockport have voted to approve the fee change to the Yellow Bag (P.A.Y.T.) pay-as-you-throw program. The large yellow 30 lb. P.A.Y.T. bag will be sold for \$3.00 per bag, package quantities of five (5) per pack changing the price of a package to \$15.00 each. The small yellow 13 gallon P.A.Y.T bag will be \$2.00 per bag and sold in quantities of ten (10) per package for \$20.00. Packages of either size may be purchased at the MCSWC Gatehouse and at all four town offices. Large bags only are available for sale at local stores including Hammond Lumber-Camden, French & Brawn, Hannaford-Camden, Hope General Store, Lincolnville General Store, Megunticook Market, Rankin's Hardware and Western Auto Young & Hickey.
